

# **Pequest Open House**

## **Schedule of Activities**

### **March 29 and 30, 2008**

*Please note that all scheduled activities/events may change dependent upon conditions.*

#### **10:30 -- Hunter Education Field Session**

This field session allows potential new hunters the opportunity to save some time when they go for their hunter education test. Participants in this field session will not receive their hunter education certification. *Event to be held at the hunter education ranges.*

#### **11:00 – Turkey Calling/Hunting Clinic**

This clinic will go over some of the need-to-know basics of turkey calling/hunting. *Event to be held at the NJ Chapter of the National Wild Turkey Federation tent at the pond.*

#### **11:00 – Fish Feeding Demonstrations**

Watch our Pequest Fisheries Staff as they traverse the raceways in our specially designed feeding truck. *Event held at the observation platform.*

#### **1:00 – Fish Spawning Demonstrations**

Watch our Hackettstown Fisheries Staff as they spawn some of our warmwater fish from the Hackettstown Hatchery. *Event held in the pond area.*

#### **2:00 – Fish Feeding Demonstrations**

Watch our Pequest Fisheries Staff as they traverse the raceways in our specially designed feeding truck. *Event held at the observation platform.*
