PEQUEST TROUT HATCHERY & NATURAL RESOURCE EDUCATION CENTER

Professor Winklebottom's Earth Science Circus

Friday, February 19, 2010 at 6:30 pm

at the Pequest Trout Hatchery & Natural Resource Education Center

This litter education program, presented by the Grand Falloons, takes participants on a unique and lively exploration of "Our Earth". Attendees will learn what litter is, what limited resources are, why we should recycle, and what happens to refuse after it is put out on the street for collection.

Be prepared for an active learning experience!

REGISTRATION IS REQUIRED

This program is appropriate for organized groups and the whole family. For more information and to register, call (908) 637-4125. Funding for this program is made possible by Mansfield Township Clean Communities Program.
