A stocking permit issued by the New Jersey Division of Fish and Wildlife is required for all waters of the state except those which are privately owned and have no inlet or outlet. Permit applications may be obtained from the Bureau of Freshwater Fisheries Laboratory, PO Box 394, Lebanon, NJ (908-236-2118). This office also offers advice and recommendations relative to fish stocking and lake management.

Stocking permits will be approved only for fish obtained from hatcheries which appear on this list. Hatcheries wishing to be included on this list must contact New Jersey Division of Fish, Game and Wildlife, Pequest Trout Hatchery, 605 Pequest Road, Oxford, NJ 07863, attention Fish Pathologist (908-637-4173).
