STUFFING

## PRESS RELEASE

FREE  
TARGET  
STUFFING

### FREE STUFFING TO ALL NASP TARGETS

**Did you know you can rebuild your Morrell Target for fractions of the cost of foam inserts?**

In order to strengthen NASP as a whole, we at Morrell Targets have developed an economical refurbishing kit for our targets. This will increase target life and save schools money!

#### Quick Tips To Recover

**No more expensive inserts to buy or replace costly foam targets that cannot be fixed!**

1. Pull off old cover
2. Push packing material behind netting into the shot area
3. Pull on new black liner
4. Put on the new cover

### Just One More Reason To Shoot Morrell Targets

Developing this refurbishing kit will cost me target sells. GREAT, because it will help the NASP kids in the long run. Also, I'm committing 10% of NASP target sells back to each state and I will be furnishing state tournament targets to all states at No Charge! I'M COMMITTED TO NASP!!

--- Dale Morrell
